Hello Adam Taylor,

The AFCEA Tampa luncheon is coming up next week! The June luncheon will be held on 19 June 2019. We are back on MacDill at Surf's Edge, so registration will close 1 week prior to our event. Registration closes in 2 days!

We are excited to announce our new President for the AFCEA Tampa-St Pete Chapter, COL Jack Sander! COL Sander is currently the USCYBERCOM LNO to USCENTCOM but will be the Commanding Officer at DISA CENT by the end of June. COL Sander will also be our Guest Speaker; discussing challenges USCYBERCOM faces in the CENTCOM AOR.

We are extremely grateful for the leadership from COL (ret) John McLaughlin these past few years. We wish him all the best!

To ensure Base Access, registration will close this WEDNESDAY, 12 June at 1700. If you are not registered by COB you will need to find additional means to gain access to the base as we will not be able to accommodate late registrants.
